Moving to another state: records to update

Moving to a new state changes more paperwork than it seems. Tick each one off as you go and note the date you did it.

Sources checked on November 27, 2026. Every fact links to the office it came from.

A change of address with the Post Office only changes your mailing address with the Post Office. USPS says you are responsible for telling government agencies, companies and anyone else who sends you mail. USPS
